READY OUT OF THE BOX

Covering a wide range of the most popular makes and models, Blue Streak's special selection of Reman ECM's come pre-configured to ORIGINAL manufacturer specifications so you don't have to get tangled in the programming yourself. Computers that are ready to install right out of the box, hassle free for the ideal TIME SAVING SOLUTION.

ON DEMAND PROGRAMMING

Need a part for a particular car that requires more precise tweaking? Don't have the time or inclination to deal with that yourself? No problem. Just request the module, let us know the year, make, model, VIN and mileage, and our expert programmers will take it from there.

Get your ECM fully custom configured and ready to install out of the box giving you the BEST OF BOTH WORLDS.

REMAN AS GOOD AS NEW

How ever you get your pre-programmed ECM, you can always count on Blue Streak's uncompromising standards that measures up to a new part off the shelf. You'll have the confidence in supplying the car with a reman that's TRUE TO THE ORIGINAL - THE WAY IT'S MEANT TO BE.

Imitation may be the sincerest form of flattery but Blue Streak Electronics® believes that being TRUE TO THE ORIGINAL is the gold standard in remanufacturing, a standard we refuse to compromise.

With meticulous and exacting operation covering import and domestic applications, all computers are thoroughly tested to meet or exceed its **ORIGINAL manufacturer specifications**, delivering peak operating performance and extended service life.

For your Reman ECM, get it good as new, the way it was originally designed - **as it was meant to be.**
